The fiscal year of this Association shall be the calendar year.

ARTICLE XIV INDEMNIFICATION OF DIRECTORS, OFFICERS, AND EMPLOYEES

1400 Indemnification

1400.1 The Association shall indemnify any director, officer or employee who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he/she is or was a director, officer or employee of the Association, or is or was serving, pursuant to authorization in writing by the Association's Board of Directors or its President or his/her delegate, as a director, officer, employee, partner, agent, administrator, advisor, fiduciary or member of another corporation, non-profit or cooperative organization, partnership, unincorporated association, joint venture, trust, retirement or other employee benefit plan or other organization or entity, as well as any committee, subcommittee, or other body of the Farm Credit System existing under authority of statute or otherwise, against expenses (including attorneys' fees), judgments fines, penalties and amounts paid in settlement actually and reasonably incurred by him/her in

connection with such action, suit or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his/her conduct was unlawful.

- 1400.2 The Association shall indemnify any director, officer or employee who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he/she is or was a director, officer or employee of the Association, or is or was serving, pursuant to authorization in writing by the Association's Board of Directors or its President or his/her delegate, as a director, officer, employee, partner, agent, administrator, advisor, fiduciary or member of another corporation, non-profit or cooperative organization, partnership, unincorporated association, joint venture, trust, retirement or other employee benefit plan or other organization or entity, as well as any committee, subcommittee, or other body of the Farm Credit System existing under authority of statute or otherwise, against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with the defense or settlement of such action, suit or proceeding as well as amounts paid in settlement, if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the Association and, to the extent of amounts paid in settlement, if settlement was in the best interests of the Association; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which director, officer or employee shall have been finally adjudged to be liable for negligence or misconduct in the performance of his/her duty to the Association unless and only to the extent that a court of competent jurisdiction shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.
- 1400.3 A director's, officer's or employee's conduct with respect to a retirement or other employee benefit plan for a purpose he/she reasonably believed to be in the interests of the participants in and beneficiaries of the retirement or other employee benefit plan is conduct that satisfies the requirement that he/she acted in a manner reasonably believed to be in or not opposed to the best interests of the Association.
- 1400.4 The termination or abatement of a threatened or pending action, suit or proceeding by way of a judgment, order, settlement, conviction, or upon a plea of guilty or nolo contendere or its equivalent is not, of itself, determinative that the director, officer or employee did not meet the standard of conduct described in this section.
- 1400.5 The Association may indemnify any agent of the Association to the same extent as and under the same provisions applicable to directors, officers and employees, but only by specific action of and to the extent designated by the Board of Directors.
- 1400.6 Notwithstanding the provisions of Article 1400, any director, officer or employee of the Association serving on any committee, special asset group or similar body required or permitted pursuant to the Farm Credit Act of 1971, as amended, shall be deemed to be doing so pursuant to authorization in writing by the Association's Board of Directors or its President or his/her delegate.
- 1400.7 As used in this Article, "party" means a defendant or respondent in an action, suit or proceeding.

1400.8 Notwithstanding the foregoing, the Association may not indemnify directors, officers, employees, or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the institution.

1410 Additional Indemnification Provisions

Notwithstanding any other provision of this Article, a director, officer or employee of the Association who has been wholly successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in Section 1 of this Article to which he/she was a party shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

1420 Procedure

Any indemnification under Section 1400 of this Article (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer or employee is proper in the circumstances because he/she has met the applicable standards set forth in Section 1400 of this Article. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable (or, even if obtainable, a quorum of disinterested directors so directs), by independent legal counsel in a written opinion. For the purposes of this section 1420, independent legal counsel shall be selected by a quorum of disinterested directors or, if such a quorum is not obtainable, by the Board of Directors.

1430 Advances of Expenses

Notwithstanding the provisions of Article 1420, reasonable expenses incurred in defending any action, suit or proceeding referred to in Article 1400, shall be paid by the Association in advance of the final disposition of such action, suit or proceeding, if the director, officer or employee shall undertake in writing to repay such amount in the event that it is ultimately determined, as provided herein, that such person is not entitled to indemnification. Advances of expenses shall be made promptly and, in any event, within 90 days, upon the written request of the director, officer or employee. Notwithstanding the foregoing, no advance shall be made by the Association if a determination is reasonably made at any time by the Board of Directors by a majority vote of a quorum of disinterested directors, or (if such a quorum is not obtainable or, even if obtainable, a quorum of disinterested directors so directs) by independent legal counsel (selected as provided in Article 1420) in a written opinion, that, based upon the facts known to the Board or counsel at the time such determination is made, such person acted in bad faith and in a manner opposed to the best interests of the Association, or such person deliberately breached his/her duty to the Association or its stockholders, or, with respect to any criminal proceeding, that such person believed or had reasonable cause to believe his/her conduct was unlawful.

1440 Rights

The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expense may be entitled under any insurance or other agreement, vote of shareholders or directors or otherwise, both as to actions in their official capacity and as to actions in another capacity while holding an office, and shall continue as to a person who has ceased to be a

director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person. Notwithstanding the foregoing, the Association may not indemnify directors, officers, employees, or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the institution. The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association or who is or was serving in any of the capacities referred to in Article 1300 hereof against any liability asserted against him/her or incurred by him/her in any such capacity, or arising out of his/her status as such, whether or not the Association would have the power to indemnify him/her against such liability under the revisions of this Article.

1450 Applicable Law

Interpretation of this Article XIV shall be under the law of the State of North Dakota.

1460 FCA Penalties

Notwithstanding any other provisions of this Article, the Association shall not indemnify or purchase any insurance to protect any of its directors, officers, employees, or agents against or from any monetary penalties or other payments imposed by or in any action brought by the FCA or against or from any expenses incurred by any director, officer, employee or agent in an unsuccessful defense against such an imposition or action.

Provided, however, on the signing of a waiver of notice by a majority of the entire membership of the Board, the Bylaws may be altered, amended or repealed and new Bylaws adopted at any regular or special meeting of the Board.

When the debt of the borrower is in default, the Association may retire any Class E Preferred Stock held by such borrower and may direct FCSND to retire any stock and participation certificates held by the borrower and the proceeds thereof applied against the indebtedness to the Association.

825 Distribution on Liquidation

In the event of liquidation or dissolution of the Association, any assets of the Association remaining after payment or retirement of all liabilities shall be distributed:

First, to the holders of Class E Preferred Stock in proportion to the number of shares then issued and outstanding until an amount equal to the aggregate par value of all such shares has been distributed to stockholders;

Second, to the holder of Class C common stock and Class D common stock, without preference, in proportion to the number of shares then issued and outstanding until an amount equal to the aggregate par value of all such shares has been distributed to stockholders;

Third, to the holders of allocated surplus, pro rata on the basis of the oldest allocations first, until an amount equal to the total account has been distributed to the holders.

Fourth, any remaining assets of the Association after such distribution shall be distributed to Patrons and former Patrons in the proportion to which the aggregate patronage of each such Member Borrower and former Member Borrower bears to the total patronage of all such parties insofar as practical unless otherwise provided by law.

ARTICLE IX PAYMENT OF PATRONAGE - OPERATING ON A COOPERATIVE BASIS

900 Application of Earnings or Losses.

900.1 Application of Earnings - At the end of each fiscal year, the Association shall apply its earnings for such fiscal year as follows and in the order listed:

900.11 **Operating expenses** - To cover operating expenses, including provision for loss expense on assets as provided by law and in accordance with generally accepted accounting principles;

900.12 **Impairment of capital stock** - To restore the amount of any impairment of capital stock in the reverse order listed in Section 900.2;

900.13 **Allocated surplus** - To restore the amount of any impairment of the allocated surplus account;

900.14 **Unallocated surplus account** - To create and maintain an unallocated surplus account as provided in Section 910 of these Bylaws; and to an allocated surplus account if the Association chooses to establish such an account;

900.15 **Dividends and patronage refunds** - To pay dividends and patronage distributions as provided in these Bylaws.

900.2 Application of Losses - In the event of a net loss for any fiscal year, after applying earnings for such fiscal year as provided in 900.1 above, such loss shall be absorbed by:

900.21 **Unallocated surplus** - Charges to the unallocated surplus account;

- 900.22 **Allocated surplus account** - The impairment of the allocated surplus account in the order of the oldest first;
- 900.23 **Class C and D Common Stock** - Concurrent impairment of Class C and D Common Stock.
- 900.24 **Class E Preferred Stock** - The impairment of Class E Preferred Stock on a pro-rata basis.

910 Surplus Account

The Association shall create and maintain an unallocated surplus account and may maintain an allocated surplus account. The minimum aggregate amount of these two accounts shall be prescribed by the Board. At the end of any fiscal year that the surplus accounts otherwise would be less than the minimum amount prescribed by the capital adequacy requirements prescribed by the FCA and the FCB, the Association shall apply earnings for the year to the unallocated surplus account in such amounts as may be necessary to meet these requirements. Except as provided in Section 900, the unallocated surplus account may not be reduced below the minimum aggregate amount prescribed by the FCB without the FCB's prior approval.

920 Allocated Surplus Account

- 920.1 Create and maintain an allocated surplus account - The Board may create and maintain an allocated surplus account consisting of earnings held therein and allocated to borrowers on a patronage basis pursuant to Section 940. In the event of a net loss for any fiscal year, such allocated surplus account shall be subject to impairment in the order specified in Section 900.2 on a pro rata basis.
- 920.2 First lien on all surplus account allocations - The Association shall have a first lien on all surplus account allocations owned by any borrower, and all distributions thereof, as additional collateral for the borrower's indebtedness to the Association.
- 920.3 Default or in process of final liquidation - When the debt of a borrower is in default or is in the process of final liquidation by payment or otherwise, the Association may order any and all surplus account allocations owned by such borrower to be applied on the indebtedness. Any such retirement and application of surplus account allocations to indebtedness shall be before similar retirement and application of other stock or participation certificates owned by the borrower.
- 920.4 Stock and participation certificates - Whenever all of the stock and participation certificates of the Association and FCSND owned by a borrower are retired or otherwise disposed of and the Association meets the requirement of Section 910, any surplus account allocations owned by such borrower may also be retired upon request of the owner and approval of the Board, and the proceeds paid to the owner. Alternatively, if the Association directs, such surplus account applications may be applied against any of the borrower's indebtedness to the Association.
- 920.5 Minimum aggregate amount of surplus account - In the complete discretion of the Board and provided the minimum aggregate amount of the surplus account prescribed by the FCA is maintained, allocated surplus may be distributed, oldest allocations first, in Class E Preferred Stock and/or cash. The cash proceeds may be applied against the indebtedness of the borrower to the Association. In no event shall such distributions reduce the surplus account below the minimum capital amount prescribed by the capital adequacy requirements of the

FCA. Distributions of less than the full amount of all allocations issued as of the same date shall be on a pro rata basis.

930 Dividends

- 930.1 Declaration of dividends - In accordance with the Act, and Regulations, non-cumulative dividends may be paid on the stocks of the Association, as the Board may determine by resolution. A dividend may be declared only if at the time of the declaration thereof no class of stock shall be impaired. Dividends may not be paid if the action would result in failure of the Association to meet minimum capital adequacy requirements established by the FCA. Such dividends may be paid on Class E Preferred Stock on a per share basis, or on all classes of common stock on a per share basis; provided, however, that such dividends shall not exceed 8% per share per annum.
- 930.2 Paid on effective date of declaration - Dividends may be paid to holders of record on the effective date of declaration.
- 930.3 Paid in cash and/or Stock - Dividends on capital stock may be paid in cash or stock, or partly in cash and partly in such stock. If any part of the dividend to be paid in stock is less than \$5.00, that part may be distributed in cash or held by the Association and cumulated with subsequent dividends until such retained dividends equal \$5.00, so that the dividends may be distributed as one whole share of stock.
- 930.4 If a borrower's loan is in default, any part of the dividend distribution to that borrower may, at the discretion of the Association, be applied against the borrower's indebtedness to the Association.

940 Patronage Refunds

- 940.1 Distribution of Patronage. Subject to the provisions of the Act and Regulations, prior to the beginning of any fiscal year, the Association's Board may, by adoption of a resolution, obligate the Association to distribute patronage in a qualified or nonqualified form to Patrons, on a patronage basis all or any portion of the available net earnings as defined as pretax accounting income before extraordinary items and cumulative effects of changes in accounting principles as determined in accordance with generally accepted accounting principles (GAAP) for such fiscal year or for that and subsequent fiscal years.
- 940.2 Proportionate Distribution. Unless a plan using an alternative equitable and nondiscriminatory basis has been approved by the Board, all patronage distributions shall be in the proportion that the amount of interest earned by the Association on its loans to each borrower bears to the total interest earned by the Association on all such loans during the fiscal year. Any earnings pool that may be established for the payment of patronage distributions should be established on a rational and equitable basis and shall insure that each patron of the Association receives its fair share of the earnings of the Association and bears its fair share of the expenses of the Association, provided that the board shall retain discretion not to pay patronage distributions on one or more of such pools.
- 940.3 Restrictions on Distributions. The availability of earnings for patronage distributions shall be determined after first making applications required by section 900 of this Article, and providing for the transfer to unallocated surplus of the amount, if any, established by the Association's capitalization plan. The Board in its resolution may establish a minimum level of available earnings and if the available earnings fall below this level no patronage distribution will be made.

940.4 Payment of Distributions. Patronage distributions may be in cash, stock, allocations of earnings retained in an allocated surplus account, or any one or more of such forms of distribution. Any portion of a patronage distribution made in the form of stock which is not a multiple of \$5.00 may be distributed in cash or held by the Association for the borrower and included in subsequent distributions.

In the event that the total patronage distribution to a patron is less than \$100, such distribution may be paid entirely in cash notwithstanding the fact that distributions of \$100 or more are paid partially in cash and partially in stock or allocated surplus.

In the event that the cash distribution to a Member Borrower is less than \$100, such distribution may, at the discretion of the board, be applied against the patrons indebtedness.

In the event that the cash distribution to a patron is less than \$15, such cash distribution may, at the discretion of the board, be retained by the Association. In such cases, the aggregate amounts so retained shall be subject to income tax to the same extent as other undistributed income.

940.5 Application to Debt. - If the debt of a borrower is in default, any part of the patronage distribution to that borrower may, at the discretion of the Association, be applied against the borrower's indebtedness to the Association.

940.6 Patron's Consent to Take Patronage Distribution into Income - The Association shall obtain from each Member Borrower such patron's consent to take into account, as income, at its stated dollar amount as provided in 26 U.S.C. §1385, the amount of his or her respective distribution paid as qualified written notice of allocation, which may include stock, allocated surplus, and/or the amount of any distribution that has been applied to the patron's indebtedness as provided in Section 940.4 and 940.5 of these bylaws. Consent shall be in a form prescribed by the Board and shall comply with the requirements of 26 U.S.C. §1388. Consent may be by qualified check as described in 26 U.S.C. §1388.

Consent under this section shall be continuing in effect, provided that consent (other than consent by qualified check) may be revoked in writing, which revocation shall become effective only with respect to patronage occurring on or after the first day of the first fiscal year of the Association beginning after the revocation is filed with the Association.

940.7 Capital Adequacy Standards - Notwithstanding other provisions of this section, the Association may not obligate itself to distribute earnings on a patronage basis if the permanent capital of the Association would be reduced to the extent that the Association would not meet its capital adequacy standards as determined from time to time in accordance with the Regulations.

1400.2 The Association shall indemnify any director, officer or employee who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he/she is or was a director, officer or employee of the Association, or is or was serving, pursuant to authorization in writing by the Association's Board of Directors or its President or his/her delegate, as a director, officer, employee, partner, agent, administrator, advisor, fiduciary or member of another corporation, non-profit or cooperative organization, partnership, unincorporated association, joint venture, trust, retirement or other employee benefit plan or other organization or entity, as well as any committee, subcommittee, or other body of the Farm Credit System existing under authority of statute or otherwise, against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with the defense or settlement of such action, suit or proceeding as well as amounts paid in settlement, if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the Association and, to the extent of amounts paid in settlement, if settlement was in the best interests of the Association; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which director, officer or employee shall have been finally adjudged to be liable for negligence or misconduct in the performance of his/her duty to the Association unless and only to the extent that a court of competent jurisdiction shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

1400.3 A director's, officer's or employee's conduct with respect to a retirement or other employee benefit plan for a purpose he/she reasonably believed to be in the interests of the participants

- 1400.4 The termination or abatement of a threatened or pending action, suit or proceeding by way of a judgment, order, settlement, conviction, or upon a plea of guilty or nolo contendere or its equivalent is not, of itself, determinative that the director, officer or employee did not meet the standard of conduct described in this section.

- 1400.6 Notwithstanding the provisions of Article 1400, any director, officer or employee of the Association serving on any committee, special asset group or similar body required or permitted pursuant to the Farm Credit Act of 1971, as amended, shall be deemed to be doing so pursuant to authorization in writing by the Association's Board of Directors or its President or his/her delegate.
- 1400.7 As used in this Article, "party" means a defendant or respondent in an action, suit or proceeding.
- 1400.8 Notwithstanding the foregoing, the Association may not indemnify directors, officers, employees, or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the institution.

1410 Additional Indemnification Provisions

Notwithstanding any other provision of this Article, a director, officer or employee of the Association who has been wholly successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in Section 1 of this Article to which he/she was a party shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

1420 Procedure

Any indemnification under Section 1400 of this Article (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer or employee is proper in the circumstances because he/she has met the applicable standards set forth in Section 1400 of this Article. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (2) if such a quorum is not obtainable (or, even if obtainable, a quorum of disinterested directors so directs), by independent legal counsel in a written opinion. For the purposes of this section 1420, independent legal counsel shall be selected by a quorum of disinterested directors or, if such a quorum is not obtainable, by the Board of Directors.

1430 Advances of Expenses

Notwithstanding the provisions of Article 1420, reasonable expenses incurred in defending any action, suit or proceeding referred to in Article 1400, shall be paid by the Association in advance of the final disposition of such action, suit or proceeding, if the director, officer or employee shall undertake in writing to repay such amount in the event that it is ultimately determined, as provided herein, that such person is not entitled to indemnification. Advances of expenses shall be made promptly and, in any event, within 90 days, upon the written request of the director, officer or employee. Notwithstanding the foregoing, no advance shall be made by the Association if a determination is reasonably made at any time by the Board of Directors by a majority vote of a quorum of disinterested directors, or (if such a quorum is not obtainable or, even if obtainable, a quorum of disinterested directors so directs) by independent legal counsel (selected as provided in Article 1420) in a written opinion, that, based upon the facts known to the Board or counsel at the time such determination is made, such person acted in bad faith and in a manner opposed to the best interests of the Association, or such person deliberately breached his/her duty to the Association or its stockholders, or, with respect to any criminal proceeding, that such person believed or had reasonable cause to believe his/her conduct was unlawful.

1440 Rights

The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expense may be entitled under any insurance or other agreement, vote of shareholders or directors or otherwise, both as to actions in their official capacity and as to actions in another capacity while holding an office, and shall continue as to a person who has ceased to be a director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person. Notwithstanding the foregoing, the Association may not indemnify directors, officers, employees, or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the institution. The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association or who is or was serving in any of the capacities referred to in Article 1400 hereof against any liability asserted against him/her or incurred by him/her in any such capacity, or arising out of his/her status as such, whether or not the Association would have the power to indemnify him/her against such liability under the revisions of this Article.

1450 Applicable Law

Interpretation of this Article XIV shall be under the law of the State of North Dakota.

1460 FCA Penalties

Notwithstanding any other provisions of this Article, the Association shall not indemnify or purchase any insurance to protect any of its directors, officers, employees, or agents against or from any monetary penalties or other payments imposed by or in any action brought by the

FCA or against or from any expenses incurred by any director, officer, employee or agent in an unsuccessful defense against such an imposition or action.
