In the case of a deceased or legally incompetent Shareholder, the executor, administrator, guardian, or other court authorized representative shall be considered to be the Shareholder for the purposes of these Bylaws. Each Shareholder is authorized to speak on any question being considered at Shareholders' meetings, when recognized by the chairperson. Motions, nominations and seconds may be made and voted on only by Voting Stockholders.

ARTICLE IV MEETINGS OF SHAREHOLDERS

400 Time and Place

400.1 There shall be an annual meeting of Shareholders at such place(s) in the Association's chartered territory or, within reasonable distance of such territory at such date(s) and time(s) as the Board may by resolution provide.

400.2 Special meetings of Shareholders may be called at any time by resolution of the Board. Such meetings shall be called at any time upon written request of at least 5 percent of the Voting Stockholders except that in no case shall the required number of signatures for such a request be less than 50. A further exception is for reconsideration of a merger, transfer or termination vote under Section 7.9(b)(3) of the Act. All notices of special meetings shall state the time, place and purpose of the meeting. If the Board fails or refuses to order such notice to be made, the notice may be given by the person or persons who made the call, in accordance with the provisions of Section 410.

400.3 The Board may provide for the annual meeting or special meetings of Shareholders to be held in consecutive sectional sessions at different times and places. The date of the convening of the first sectional session shall be the date of the meeting for the purpose of notice thereof to Shareholders. Each Shareholder shall be notified of all sessions to be convened and shall be entitled to attend any or all of such sessions of the annual meeting. At each sectional session except the last, the meeting shall be adjourned until the next session of the meeting. The

last sectional session must be scheduled for a time no later than 21 calendar days after the first sectional session. The attendance at all sectional sessions shall be combined for the purpose of constituting a quorum, but no Voting Stockholder shall be counted or permitted to vote at more than one session. The votes cast at all sessions shall be counted together to constitute the vote of the meeting. Nominations from the floor for directors and nominating committee members and matters requiring a vote of all Voting Stockholders must be introduced at the first sectional session of the meeting and so announced in the notice of meeting except that if balloting is by mail and/or electronic means, nominations may be made at all sectional sessions of the meeting and balloting shall be after the final sectional session.

405 Action Without Meeting

Any action required to be taken, or which may be taken, at any annual or special meeting of Shareholders may be taken without a meeting, without notice, and without a vote if consent in writing setting forth the action to be taken, shall be signed by all of the Voting Stockholders, or by the duly authorized representatives thereof, entitled to vote with respect to the subject matter thereof.

410 Notice of Meeting

The chairperson of the Board shall cause written notice of every annual and special meeting of Shareholders to be mailed at least 10 business days, but not more than 30 business days, prior to the meeting to all Shareholders of record as of a date no more than 120 calendar days preceding the meeting (or such shorter period as required by Regulations). The notice shall be mailed to the last known post office address of the Shareholder as it appears on the records of the Association. The notice shall state the purpose and the time and place of meeting. No business shall be transacted at special meetings other than that referred to in the notice.

420 Quorum

Twenty-five Members or two per centum of the Members, whichever shall be the larger, shall constitute a quorum. Proxies will be included to establish a quorum count to the extent that proxies are permitted under Section 450. If less than a quorum is present at any meeting, the chairperson of the meeting may adjourn the meeting from time to time until a quorum is obtained.

430 Conduct of Annual Meeting

At the annual meeting of Shareholders, reports of the Board shall be given by persons designated by the Board. The reports required by Section 1110 shall be presented. Other items of business which may come before the meeting include but are not limited to: (a) determination of quorum; (b) proof of due notice of meeting; (c) reading and disposition of minutes; (d) annual reports of committees and officers; (e) election of directors and nominating committees; (f) unfinished business; and (g) new business.

440 Nominating Committee

440.1 At each annual meeting of Shareholders, the Voting Stockholders shall elect a nominating committee consisting of five Voting Stockholders. Also five alternates may be elected. Board members, salaried officers and employees of the Association are not eligible to serve on the nominating committee. The committee so elected shall serve until the next annual meeting or until its successors have been elected and qualified. A list of candidates for such election shall be presented to each annual meeting by the nominating committee that served for the preceding year. Nominations may also be made from the floor. If the meeting is held in consecutive sectional sessions, nominations may be made from the floor only at the first session and the same shall be announced in the Notice of Meeting except that if balloting is by mail and/or electronic means, nominations may be made at all sectional sessions of the meeting and balloting shall be after the final sectional session.

440.2 Voting Stockholders may elect alternate members of the nominating committee from among the nominees presented pursuant to Section 440.1. If there are no alternates, the remaining members of the committee shall fill the vacant position from among the Voting Stockholders willing to serve.

440.3 A majority of the nominating committee shall constitute a quorum for transacting the business of the committee. The committee shall keep minutes of its deliberations, which minutes shall be maintained by the chief executive officer in accordance with the Association's records disposal schedule.

440.4 Each nominating committee shall review the list of Shareholders (as described in Regulation § 618.8310(b)) who are eligible to serve as directors of the Association, ascertain their willingness to serve, and submit for election a slate of eligible candidates which shall include at least two nominees for each director position to be filled. In doing so, the committee shall endeavor to assure representation to Voting Stockholders holding different types of loans with the Association, to all areas of the Association's territory, and, as nearly as possible, to all types of agriculture practices within such territory.

450 Voting

450.1 Each Voting Stockholder shall be entitled to only one vote regardless of the number of single or joint loans such Voting Stockholder may have with the Association, FCSND, PCA and/or FCSND, FLCA. In the case of a joint loan, the vote may be cast by only one of the joint holders who is a joint holder of the loan. The vote of a Voting Stockholder which is a legal entity shall be cast by an individual who is a member of the legal entity. If a Voting Stockholder controls the business affairs or assets securing the loan of another Voting Stockholder, the controlling Voting Stockholder and the controlled Voting Stockholder shall be entitled to only one vote. For the purposes of this Section, a Voting Stockholder shall be considered to control

another Voting Stockholder if the individual has more than a 50 percent ownership interest in (1) the other Voting Stockholder of (2) the assets securing the other Voting Stockholder's loan. In no event may an individual vote more than once, nor shall any Voting Stockholder be permitted to cumulate votes.

450.2 Voting by proxy at annual or special meetings of Shareholders shall be permitted in the merger of associations, for territorial adjustments and in other instances as authorized by the Board, subject to the Act and Regulations. Voting by mail and/or electronic ballot in conjunction with annual or special meetings of Stockholders shall be permitted as authorized by the Board subject to the Act and Regulations.

450.3 A list of Voting Stockholders shall be maintained by the Association. The list shall be used when distributing ballots at an annual or special meeting, proxy ballots at an annual or special meeting, mail and/or electronic ballots under Section 510.5, ballots for the nomination and election of district board members and for other purposes as authorized by the Board subject to the Act and Regulations. If the meeting is held in consecutive sectional sessions, the list shall be used at each sectional session to assure that no Voting Stockholder votes more than once. A list of Shareholders shall be maintained and may be used for communication among such Shareholders as provided in Section 4.12A(a) of the Act.

ARTICLE V BOARD OF DIRECTORS

500 Composition of Board; Outside Director

500.1 In General

500.10 The Board of this Association shall be composed of seven (7) directors who will be elected by the Voting Stockholders in accordance with bylaw section 510, and a number of appointed directors in accordance with bylaw sections 500.12 and 500.3, at least two (2) of whom shall be outside directors. The exact number of appointed director(s) shall be determined from time to time by the elected directors at their sole discretion, as long as stockholder-elected directors constitute at least 60 percent of the members of the Board.

500.11 The applicable provisions of the Bylaws, to the extent consistent with the applicable provisions of the Act and Regulations shall govern the qualifications, manner of nomination and election, terms, and related matters respecting the positions of the Board.

500.12 The Board shall at all times include at least one person, elected by other members thereof, who, at the time such person becomes, and while serving as, a director of the Association, shall not be a director, officer, employee or stockholder of any System institution, other than FCSND, PCA or FCSND, FLCA. The manner of nomination, election and related matter respecting such director shall be determined from time to time by the other members of the Board, subject to applicable Regulations.

500.13 Except as provided in Section 530, any vacancy on the Board arising from death, resignation, removal or otherwise, shall be filled by a Member elected by vote of all the remaining Board members. Except as provided in the following sentence, such Member shall serve until the next annual meeting or a special meeting of Shareholders called for the purpose of electing a Member to serve the remaining unexpired term. Any Member elected by the other Board members to fill a vacancy on the Board referred to in Section 500.12 and 500.35 shall serve for the remainder of the term of the director he or she replaces, and shall, to the extent possible, possess the same qualifications, if any, applicable to the director so being replaced.

500.2 Except for the Outside Directors, no person shall be elected, appointed or continue to serve as a director unless he or she is a Voting Stockholder, is in compliance with the Regulations, is a bona fide farmer, rancher, producer or harvester of aquatic products, or owns agricultural real estate located within the territory and either resides or farms/ranches in the Association territory.

If the Board has adopted regional geographic representation, the majority of the Voting Stockholder's farming operations shall be in the specific geographic region. However, if voting stock is converted during the term into nonvoting stock, such conversion shall not disqualify a director from completing the term for which he or she was elected or appointed. An individual designated to vote the stock of a corporation or partnership may be a director as long as the individual holds stock in the corporation, is a member of the partnership, and meets all other requirements for serving as an Association director.

500.3 Outside and other appointed Directors

Notwithstanding any other provision of these Bylaws.

500.31 Two members of the Board shall be persons who, within the one year period preceding the commencement of his or her term was not a director, officer, employee, agent or Shareholder of any System institution ("Outside Director"). Nor shall such person continue to serve as a director if such person becomes a director of any other System institution (with the exception of FCSND, PCA and FCSND, FLCA), or officer, employee, agent or Shareholder Owner of any System institution. Such person shall be elected to the Board by the other members thereof.

500.32 Outside and Appointed Directors shall be subject to the same Code of Ethics for Directors as the other Board members and shall have the same voting powers and responsibilities as the other Board members.

500.34 Outside and Appointed Directors shall serve for four years after being elected by the Board, and thereafter until such director's successor is elected.

500.35 The Board may, from time to time, appoint additional directors in order to more fully reflect the diversity of the stockholders. A person appointed to serve as an additional director, shall meet the qualifications of an elected director as set forth in Sections 500.2 and 505. In no circumstance shall the number of all appointed directors exceed 40% of the members of the Board of Directors.

505 Qualifications of Directors other than Outside Directors

The following subsections apply to all directors except Outside Directors.

505.1 An individual who is, or has been, within the year preceding the beginning of his or her term, a salaried officer or an employee of the Association or of any other System institution is not eligible to be elected or appointed and may not serve as a director. An individual may not be a director of this Association and another association simultaneously, with the exception of FCSND, FLCA and FCSND, PCA. A legally authorized representative of a deceased or incompetent Voting Stockholder is not eligible to be elected or appointed as a director unless such representative also is a Voting Stockholder in his or her own right.

505.2 No individual shall become or continue as a director if the individual is a director, officer, or employee of any other financial institution which is authorized to make the same types of loans that may be obtained through this Association, other than FCSND, PCA and FCSND, FLCA.

505.3 Any director shall automatically be removed from the Board, and his or her office shall automatically become vacant, in the event that such director: (a) files a petition for relief in voluntary bankruptcy, or otherwise institutes suit under applicable voluntary Federal or State bankruptcy, insolvency, or receivership laws; (b) is adjudged debtor in an involuntary Federal bankruptcy or placed in receivership in a state proceeding; (c) seeks reorganization under the Bankruptcy Code of personal business interests or interests in a corporation in which the director owns the controlling interest; (d) is party to a foreclosure proceeding (judicial or nonjudicial) involving property in which the director has an interest, which proceeding is instituted because of the director's default on indebtedness to a System institution; (e) is finally convicted of a felony, or any criminal offense involving dishonesty or breach of trust, or held liable in damages for fraud, while holding office; or (f) becomes legally incompetent.

No individual shall become or continue as a director in the event the individual or spouse (1) is party to a loan with any Farm Credit System institution which is classified by the institution in whole or part under the institution's internal review process as a Substandard/Doubtful or Loss Loan, except under collateralized loans that are current in payment; and (2) fails to provide a plan acceptable to the institution within 90 days so as to permit the loan to be classified in the manner provided above as a Special Mention or an Acceptable loan within fifteen (15) months after notification of the loan classification.

For purposes of this bylaw, an individual or entity is a party to a loan when the individual or entity:

- (a) is primarily liable for the indebtedness; or
 - (1) is individually liable for the indebtedness of a partnership in which the individual is a partner;
 - (2) is individually liable for the indebtedness of a corporation in which the individual is a shareholder.

505.4 Reserved.

505.5 Termination for Repeated Unexplained Absences

The absence of a director from three consecutive regular meetings of the Board, or a total of four regular meetings during a calendar year unless explained to the satisfaction of the other directors, shall automatically terminate such director's service and the vacancy shall be filled as provided in Section 500.1.

510 Election of Directors

510.1 Annual election - In the manner provided in these Bylaws, the Voting Stockholders shall elect each year one or more directors as may be required to fill the position of each director whose term is expiring or to fill any vacancy on the Board.

510.2 Declared candidates biographical information - The Association shall request biographical information from all declared candidates who certify that they are eligible, restate such information in a standard format, and distribute it with mail or electronic ballots or proxy ballots as prescribed by the Regulations. No person, including floor nominees, may be a nominee for a director position without making the disclosures required by the Regulations.

510.3 Nominations made from the floor and casting ballots - At the annual meeting of Shareholders, the nominating committee shall submit the slate of candidates for election, after which the chairperson conducting the election will entertain nominations from the floor. Any floor nominee shall provide in writing the information referred to in Section 510.2 by the end of the annual meeting at which the nomination is considered. If the annual meeting is held in consecutive sectional sessions, floor nominations must be made at the first sectional session of the meeting and so announced in the notice of the meeting, except that if electronic and/or mail balloting is used as stipulated in Section 510.5, nominations may be made from the floor at any sectional session. The nominator need only be a Voting Stockholder and no more than a second by a Voting Stockholder may be required. After receiving a floor nomination the floor nominee must state whether he or she accepts the nomination. Where voting in person or by proxy is required or permitted, Voting Stockholders shall then cast their ballots and the chairperson conducting the election shall appoint a tellers committee of eligible Voting Stockholders, or independent third party, to tally the ballots.

Salaried officers and employees, and Voting Stockholders who are directors, candidates or members of the nominating committee and alternates are ineligible to serve on the tellers committee. A small number of specifically authorized administrative employees may assist the tellers committee in performing Voting Stockholder eligibility verification in accordance with applicable Regulations.

510.4 All candidates shall be listed on the ballot in alphabetical order of their last names, by the position to be filled. If more than one position is to be filled, the election for each position shall be conducted independently. The candidate receiving the largest number of votes for each position shall be declared elected.

510.5 Casting Ballots

510.51 Balloting at Meetings. - The tellers committee shall convene to tally the ballots and shall report the results to the chairperson conducting the election, who shall inform the Shareholders of the results at such meeting. If the meeting is held in consecutive sectional sessions, the results of the votes cast at all sessions of the meeting shall be reported to the Shareholders only after the last sectional session.

510.52 Electronic or mail balloting – If authorized by the Board, the following procedures shall be followed for the election of directors and nominating committee members utilizing electronic and/or mail ballots. Within fifteen (15) business days following the close of the annual meeting(s) (or last sectional session thereof) or special meeting(s) of Stockholders, balloting shall be done by mail and/or electronically. The election polls shall be closed at the end of the twentieth (20) business day following the date on which the ballots are delivered to the Voting Stockholders. Within three business days after the polls are closed, the tellers committee, or an independent third party, shall convene to tally the ballots returned to the Association prior to the closing of the polls. The tellers committee, or independent third party, shall report the results of the election to the chief executive officer who shall send a notice to the Stockholders within sixty (60) business days announcing the results of the election.

510.6 Tie Vote - If no director is elected to a position because of a tie vote, a runoff election between those tying shall be held. The ballots shall be cast and counted and the results shall be reported to the Shareholders in the same manner as in the original election. However, if the tie is between only two candidates and if the candidates agree, the tie may be broken by a flip of a coin.

If during the election for nominating committee members a tie occurs, instead of the rebaloting process, a coin flip method will be used to break the tie vote.

510.7 Receipt of Ballot - In the event mail ballots are used, mailing a ballot to a Voting Stockholder's address as recorded in the books or records of the Association shall be conclusive evidence of receipt of the ballot by the Voting Stockholder. The receipt, collection, and tallying of ballots may be under the supervision and guidance of either the Association's CEO or if the Board so directs, an independent third party.

520 Term

520.1 A director shall serve until the fourth annual meeting after being elected and thereafter until such director's successor is elected and qualified, or, with respect to directors elected to complete partly expired terms, for the unexpired portions of such terms, except as provided in Section 530. No director shall serve in the event such director (a) resigns, (b) is removed from office, or (c) becomes unable to act by reason of death or disqualification. Nothing herein restricts the rights of the Voting Stockholders, acting pursuant to these Bylaws, to shorten any term being served by a director or to terminate any position (except the position referred to in Section 500.3) being occupied by such director.

520.2 If as a result of change in the number of directors, or for other reasons, the terms of directors do not expire equitably on a staggered basis, the terms of the directors elected thereafter shall be for such periods, not to extend beyond the fourth annual meeting thereafter, as will reestablish expiration of terms of directors on an equitably staggered basis.

530 Vacancies of All or a Majority of the Board

530.1 If all or a majority of the director positions filled pursuant to Section 510 become vacant other than pursuant to Section 5.34 of the Act, the chief executive officer shall first promptly appoint qualified persons to fill sufficient vacancies to constitute a quorum. These directors shall promptly elect qualified Voting Stockholders to fill the other vacancies. The terms of the directors referred to in the preceding two sentences shall end at the next annual meeting of Shareholders or a special meeting of Shareholders called for the purpose of electing directors. The Board, including the directors referred to in the first two sentences, shall make provision for the staggering of the terms of the directors elected at such meeting, and such provision shall be described in the notice issued in connection with such meeting.

540 Duties of Directors

540.1 The Board shall be responsible for general control and direction of the affairs of the Association. The Board shall determine Association policy matters, periodically review the operations of the Association, and keep itself informed of the Association's fulfillment of its objectives and duties in accordance with the Act, the Regulations, and other relevant governmental policies, procedures, and objectives. The Board shall recognize that the Association, FCSND, PCA and FCSND, FLCA are responsible for, and dependent on, each other's financial condition. Accordingly, the Board shall manage the Association's affairs and establish policies with the primary objective of improving the three institutions' combined financial condition.

540.2 The Board shall: (a) appoint and fix the salary of the chief executive officer; (b) prescribe the duties and responsibilities of the chief executive officer, who shall be responsible for the management of the Association; and (c) provide for payment from the Association's general funds of the reasonable and necessary expenses incurred by committees, officers and employees of the Association in connection with the Association's business.

540.3 At the first meeting of the Board it shall approve these Bylaws as required in the Agreement.

550 Board Meetings; Action Without Meeting

550.1 Regular meetings of the Board shall be scheduled and held at least quarterly at such times and at such places as the Board by resolution may determine.

550.2 Special meetings of the Board shall be held whenever called by: (a) the chairperson of the Board; (b) the chief executive officer; or (c) a majority of the directors.

550.3 Meetings (and meetings of committee provided for in Article VI of the Bylaws) may also be conducted by telephone conference call provided a reasonable attempt is made to reach all directors (and, with respect to committees, alternates), a quorum is present, and technical arrangements permit all persons participating to hear one another at the same time. Such participation shall constitute presence in person at the meeting. All actions taken by telephone conference shall be ratified at the next regular meeting of the Board

550.4 Notice of meetings of the Board shall be given by the Secretary or such other person as may be designated by the Board. Such notice may be given by mail, telegram, other written or electronic means, by telephone or other oral communications. If given by mail, such notice shall be mailed at least five (5) days before the meeting date. If given by telegram or other electronic or telephonic means, such notice shall be sent at least two (2) days before the meeting date. If given by telephone or other oral communications, the Secretary shall make a reasonable effort to reach all directors and certify that such notice has been given, or such efforts made, at least two (2) days before the meeting date. Notice of any meeting may be waived in writing, either before or after the meeting. Participation in a meeting shall constitute waiver of notice, unless the sole purpose of such participation is to object to the propriety of such meeting. On the signing of a waiver of notice of a meeting by a majority of the directors, a meeting of the Board may be held at any time.

550.5 Any action required or permitted to be taken at any meeting of the Board or of any committee thereof may be taken without a meeting, if all members of the Board or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of the proceedings of the Board or committee, as the case may be.

555 Officers of the Board; Duties; Removal

Such retirements shall not be on a date certain or on the happening of an event such as repayment of a loan or pursuant to an automatic retirement or revolvment plan. All stock and participation certificates shall be retired at par or face value not to exceed book value; provided that it shall retain one share of voting stock for each Voting Stockholder continuing to do business with the Association in accordance with these bylaws.

860.2 Mandatory reinvestment from retirement proceeds. If at the time of any stock retirement any Shareholder's investment is below the amount established by the minimum capital requirement, or if retirement should cause the Shareholder's investment to fall below the minimum capital requirement, the Association is authorized to use part of the retirement proceeds to increase Shareholder's investment to such minimum requirement.

870 Lien

Except with regard to stock or participation certificates held by other System institutions, the Association shall have set-off rights and a first lien on all stock and participation certificates in the Association owned by any borrower as additional collateral for any indebtedness of the borrower to the Association. 880.12 Second, to the holders of allocated surplus evidenced by qualified written notices of allocation on a pro rata basis until an amount equal to the aggregate face value of all such allocated surplus has been distributed to such holders;

880.13 Third, to the holders of allocated surplus evidenced by nonqualified written notices of allocation on a pro rata basis until an amount equal to the aggregate face value of all such allocated surplus has been distributed to such holders; and

880.14 Fourth, any remaining assets shall be distributed to present and former Patrons in the proportion to which the aggregate patronage of each such party bears to the total patronage of all such parties insofar as practical unless otherwise provided by law.

ARTICLE IX EARNINGS, SURPLUS, DIVIDENDS, & PATRONAGE DISTRIBUTIONS

900 Application of Earnings or Losses

900.1 At the end of each fiscal year, the Association shall apply its earnings (including patronage allocations and refunds received from the FCB) for such fiscal year as follows and in the order listed:

900.11 To cover operating expenses, including provision for loss expense on assets as provided by law and in accordance with generally accepted accounting principles;

900.12 To restore the amount of any impairment of capital stock and participation certificates in the reverse order listed in Section 900.2;

900.13 To restore the amount of any impairment of the allocated surplus account;

900.14 To create and maintain an unallocated surplus account as provided in Section 910 of these bylaws; and to an allocated surplus account if the Association chooses to establish such an account;

900.15 To make patronage distributions if authorized pursuant to Section 940 of these bylaws; and

900.16 To pay dividends on capital stock of the Association if authorized pursuant to Section 930 of these bylaws.

900.2 In the event of a net loss for any fiscal year, after applying earnings for such fiscal year as provided in Section 900.1, such loss shall be absorbed by:

900.21 Charges to the unallocated surplus account;

900.22 The impairment of the allocated surplus account in a manner deemed to be fair and equitable by the Board, in its sole discretion;

900.23 Concurrent impairment of Classes B, C and D Common Stock and Class E Participation Certificates; and

900.25 The impairment of any class of preferred stock issued and outstanding.

910 Surplus Accounts

The Association shall create and maintain an unallocated surplus account and may maintain an allocated surplus account. The minimum aggregate amount of these two accounts shall be prescribed by the Board. At the end of any fiscal year that the surplus accounts otherwise would be less than the minimum amount established in capital adequacy requirements prescribed by the FCA, or such higher amount established by the Board, the Association shall apply earnings for the year to the unallocated surplus account in such amounts as may be necessary to meet these requirements. Except as provided in Section 900, the unallocated surplus account may not be reduced below the minimum aggregate amount prescribed by the Board.

920 Allocated Surplus Account

920.1 The Association Board may create and maintain an allocated surplus account consisting of earnings held therein and allocated to Patrons on a patronage basis pursuant to Section 940. In the event of a net loss for any fiscal year, such allocated surplus account shall be subject to impairment in the manner specified in Section 900.2.

(a) All allocations in the form of qualified written notices of allocation shall be issued in annual series and shall be identified by the year of issuance. Each such series shall be retired fully or on a pro rata basis, only at the Board's sole discretion, in order of issuance by year as funds are available.

(b) All allocations in the form of non-qualified written notices of allocation shall be issued in annual series and identified by the year of issuance. Each annual series may be subdivided between two or more classes. Each such series, or class thereof, shall be retired at the Board's sole discretion.

920.2 The Association, FCSND, PCA and FCSND, FLCA shall have a first lien on all surplus account allocations owned by any Shareholder, and all distributions thereof, as additional collateral for the Shareholder's indebtedness to the Association, FCSND, PCA or FCSND, FLCA, as the case may be.

920.3 When the debt of a Shareholder is in default or is in the process of final liquidation by payment or otherwise, the Association may order any and all surplus account allocations owned by such Shareholder to be applied on the indebtedness to the Association, FCSND, PCA or FCSND, FLCA, as the case may be.

920.4 Subject to the Act and Regulations, whenever all of the stock and participation certificates of the Association owned by a Shareholder are retired or otherwise disposed of and the Association meets the requirement of Section 910, any surplus account allocations owned by such Shareholder may also be retired upon request of the Shareholder and approval of the

Association Board, and the proceeds paid to the Shareholder. Alternatively, if the Association directs, such surplus account applications may be applied against any of the Shareholder's indebtedness to the Association, FCSND, PCA or FCSND, FLCA.

920.5 Subject to the Act and the Regulations, and provided minimum capital adequacy standards established in the Regulations (including subpart H of part 615 and part 628), and the capital requirements established by the Board, are met, allocated surplus may be distributed at their book value not to exceed their stated value in Class D Common Stock of the Association or in cash. Any such distribution shall be at the sole discretion of the Board. The cash proceeds may be applied against the indebtedness of the borrower to the Association, FCSND, PCA or FCSND, FLCA. In no event shall such distributions reduce the surplus account below the minimum amount prescribed by the Act and the Regulations. If any part of a distribution in Class D Common Stock to one borrower is less than \$5, such distribution may be held by the Association and accumulated with subsequent partial distributions to equal one whole share of Class D Common Stock.

920.6 All qualified notices of allocation shall satisfy the definition of a "qualified written notice of allocation" as defined in Section 1388 of the Code. All nonqualified notices of allocation shall satisfy the definition of a "nonqualified written notice of allocation" as also defined in Section 1388 of the Code.

920.7 A record of the holders of allocated surplus shall be kept and maintained by the Association. Allocations of "qualified" amounts will be maintained separately from allocations of "nonqualified" amounts. Such surplus accounts shall be transferable only to the Association or to an eligible Shareholder in the manner established by the Board, and no transfer thereof shall be binding upon the Association unless so transferred on the books of the Association.

930 Dividends

930.1 In accordance with the Act and the Regulations, the Board may declare dividends on the common stock and participation certificates of the Association, as the Board may determine by resolution. A dividend may be declared only if at the time of the declaration thereof no class of stock shall be impaired. Dividends may not be paid if the action would result in failure of the Association to meet minimum capital adequacy requirements established by the FCA. Any dividend paid on common stock and participation certificates shall be paid on all classes of common stock and participation certificates on a per share basis and without preference between classes of common stock and participation certificates; provided, however, that such dividends shall not exceed eight percent (8%) per share/unit per annum. No dividend shall be paid on common stock and participation certificates in any year with respect to which the Association is obligated to pay patronage as provided under Section 940. Any dividend on preferred stock, if authorized, shall not reduce net earnings from business done with or for patrons. Any such dividend shall be in addition to amounts otherwise payable to patrons under Section 940.

930.2 Dividends may be paid to holders of record on the effective date of declaration, or such other record date established by the Board.

930.3 Dividends on capital stock and participation certificates may be paid in cash, Class D Common Stock, or partly in cash and partly in such stock. If any part of such dividends payable in stock to one borrower are less than \$5, the dividends may be distributed in cash or held by the Association and accumulated with subsequent dividends until the retained dividends equal \$5, so that the dividends may be distributed as one whole share of Class D Common Stock.

930.4 If a borrower's loan is in default, any part of the dividend distribution to that borrower may, at the Board's sole discretion, be applied against the borrower's indebtedness to the Association and any subsidiary.

940 Patronage Refunds

940.1 Prior to the beginning of any fiscal year or other period, the Board may adopt a resolution in accordance with the Act and the Regulations, so as to obligate the Association to distribute as a patronage dividend, its available "Patronage-Sourced Net Earnings" for such fiscal year or other period, or for that year and subsequent fiscal years. Patronage-Sourced Net Earnings shall mean the consolidated net earnings of the Association and its Subsidiaries from business conducted on a patronage business ("Patronage Business" or "Patronage Transaction") as defined in the Patronage Resolution. Shareholders and other parties with or for whom the Association conducts Patronage Business ("Patrons") shall have the right to share in the patronage dividend on the basis of the quantity or value of their respective Patronage Business. Any outstanding Patronage Resolution that is not rescinded prior to the beginning of the period to which it relates shall become irrevocable and constitute a binding legal obligation of the Association with respect to such period. Each transaction qualifying as Patronage Business shall include as part of its terms, whether the same has been expressly referred to in said transaction or not, the provisions of this Article IX of the Bylaws.

940.2 All patronage distributions shall be paid to Patrons in proportion to the quantity or value of Patronage Business done by the Association and its Subsidiaries with or for each Patron, as determined by the Board in accordance with cooperative principles on an equitable and nondiscriminatory basis, and within the payment period prescribed by 26 U.S.C. 1382(d). A Patron who pays interest or otherwise contributes to the Association's net income, as applicable, during the period for which the patronage distribution is made shall be entitled to receive a pro-rata share of the patronage distribution regardless of whether the Patron continues to be a stockholder or borrower of the Association or its Subsidiaries on the date the declaration of the patronage distribution is made. In accordance with the Act and Regulations, the Board may establish, on a rational and equitable basis, separate patronage pools or allocation units for Patronage Business transactions of the same type or with similar characteristics. The Board shall determine the amounts and forms of patronage distributions from each pool on a rational and equitable basis. Patronage distributions to a Patron may be subject to such limitations as set forth in an agreement with such Patron.

940.3 Net earnings of any fiscal year shall be available for patronage distribution only after making the applications as required in Section 900.1, including the setting aside of a portion of the net earnings in the unallocated surplus account, as deemed prudent for sound capital accumulation. The Board in its resolution may establish a minimum level of available earnings and if the available earnings fall below this level no patronage distribution will be made. Earnings from transactions that do not constitute Patronage Business will be set aside and applied

to unallocated surplus. Any patronage distribution shall be subject to such limitations or conditions as imposed in the Act and Regulations, including compliance with minimum capital adequacy standards established by FCA.

940.4 Patronage distributions may be in cash, Class D Common Stock, allocations of earnings retained in an allocated surplus account, or any one or more of such forms of distribution; provided, however, that the cash portion of any patronage distribution for any fiscal year which includes a qualified written notice of allocation shall not be less than the amount required to qualify such distribution as a deduction for Federal income tax purposes. Any part of a patronage distribution in Class D Common Stock to one Patron that is not a multiple of \$5 may be distributed in cash or held by the Association for the Patron and included in a subsequent distribution.

In the event that the total patronage distribution to a Patron is less than the minimum amount or amounts as determined annually by the Board, prior to the end of the taxable year, such distribution may be retained by the Association, paid entirely in cash or applied to the Patron's indebtedness.

Any part of the patronage allocated to a Patron may, at the Board's sole discretion, be applied to such Patron's indebtedness to the Association and its Subsidiaries. If the debt of a Patron is in default, any part of the patronage distribution to that borrower may, at the Board's sole discretion, be applied against the Patron's indebtedness to the Association and its Subsidiaries.

940.5 Each Voting Stockholder on the effective date of this bylaw who continues as a Voting Stockholder after such date, and each person who thereafter applies for and is issued Class B Common Stock shall by such act alone, consent that the amount of any distributions with respect to such holder's patronage which are made in written notices of allocation, as defined in 26 U.S.C. 1388 (i.e. patronage allocations of surplus account and patronage refunds paid in Class D Common Stock of the Association, and which are received by him or her from the Association), will be taken into account as income by such person at the stated dollar amounts in the manner provided in 26 U.S.C. 1385(a) in the taxable year in which such written notices of allocation are received. The foregoing consent shall not apply to any written notice of allocation expressly designated as "nonqualified." Such holders also consent by such act alone, to take into account as income in the same manner the amount of any distributions with respect to patronage provided he or she receives written notice from the Association that such amount has been applied on his or her indebtedness to Association, FCSND, PCA or FCSND, FLCA, as the case may be.

940.6 The Association may obtain the written consent of each Patron that the amount of any distributions with respect to the Patron's patronage, which are made in written notices of allocations as defined in 26 U.S.C. 1388 (i.e., patronage allocations of surplus account, patronage refunds paid in Class D Common Stock, or distributions with respect to patronage that have been applied to the holder's indebtedness to Association, FCSND, PCA or FCSND, FLCA, as the case may be, and for which the holder has received written notice), will be taken into account as income by the Patron at the stated dollar amounts in the manner provided for in 26 U.S.C. 1385(a) in the taxable year in which such written notices of allocation are received. The form of consent shall be prescribed by the Board, except that it shall be continuing in effect until revoked

by the Patron, and it may be included as part of the loan application or other appropriate form signed by borrowers. Consent may also be obtained by use of a qualified check in the manner provided for in 26 U.S.C. 1388.

940.7 Where the Association arranges for the provision of credit and/or related services to its Patrons through the Subsidiaries, and such Patrons avail themselves of the arrangements made and maintained by the Association by borrowing or acquiring related services from the Subsidiaries, all net earnings or loss attributable to such provision of credit and/or related services shall be treated as net earnings or loss of the Association from business done with Patrons and all business done with the Subsidiaries shall be treated as business done with the Association.

940.8 The Board may authorize patronage distribution payments to Patrons during the course of a year as an advance against each Patron's share of that year's patronage distribution as finally determined. If so authorized, following the Board's determination of the patronage distribution, the Association shall prepare a reconciliation comparing the patronage distribution each Patron earned for the year with the advances that the Patron received. A Patron whose advances are less than the patronage distribution such Patron earned will receive a final patronage distribution equal to the difference. A Patron whose advances exceed the patronage distribution such Patron earned shall be required to repay the excess to the Association.

ARTICLE X EXECUTION OF DOCUMENTS

1000 Transactions with FCB, Releases, and Uniform Commercial Code Transactions

All documents required to be executed in connection with transactions with FCB, and releases of security, including releases and satisfactions of judgments, subordination agreements, and all security agreements, financing, donation agreements, and all security agreements, financing, continuation and termination statements, and other writings relating to secured transactions within the meaning of the Uniform Commercial Code, may be executed in the name of the Association by the chief executive officer or the chief executive officer's designee who shall be identified by name in a report to the Board and recorded in the minutes of the Board.

No person shall both sign and attest the same document.

The fiscal year of this Association shall be the calendar year.

ARTICLE XIV
INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS

Section 1400.1 – Indemnification

(a) The Association shall indemnify, to the fullest extent permitted by law, any director, officer or employee who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he/she is or was a director, officer or employee of the Association, or is or was serving, pursuant to authorization in writing by the Association’s Board of Directors or its President or his/her delegate, as a director, officer, employee, partner, agent, administrator, advisor, fiduciary or member of another corporation, non-profit or cooperative organization, partnership, unincorporated association, joint venture, trust, retirement or other employee benefit plan or other organization or entity, against expenses (including attorneys’ fees), judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

(b) The Association may indemnify any agent of the Association to the same extent as and under the same provisions applicable to directors, officers and employees, but only by specific action of and to the extent designated by the Board of Directors.

(c) As used in this Article, “party” means a defendant or respondent in an action, suit or proceeding.

Section 1400.2 – Additional Indemnification Provisions

Notwithstanding any other provision of this Article, a director, officer or employee of the Association who has been wholly successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in Section 1400.1 of this Article to which he/she was a party shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred by him/her in connection with such action, suit or proceeding.

Section 1400.3 - Procedure

Any indemnification under Section 1400.1 of this Article (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer or employee is proper in the

circumstances . Such determination shall be made (1) by the Board of Directors by a majority vote of directors who were not parties to such action, suit or proceeding, even though less than a quorum, or (2) if such a majority is not obtainable (or, even if obtainable, a majority of disinterested directors so directs), by independent legal counsel in a written opinion. For the purposes of this Section 1400.3, independent legal counsel shall be selected by a majority of disinterested directors or, if such a majority is not obtainable, by the Board of Directors.

Section 1400.4 – Advances of Expenses

Notwithstanding the provisions of Section 1400.3, reasonable expenses incurred in defending any action, suit or proceeding referred to in Section 1400.1 of this Article, shall be paid by the Association in advance of the final disposition of such action, suit or proceeding, if the director, officer or employee shall undertake in writing to repay such amount to the extent that it is ultimately determined, as provided herein, that such person is not entitled to indemnification for such amount. Advances of expenses shall be made promptly and, in any event, within 30 days, upon the written request of the director, officer or employee. Notwithstanding the foregoing, no advance shall be made by the Association if and to the extent a determination is reasonably made pursuant to Section 1400.3 that the director, officer or employee is not entitled to indemnification for such expenses pursuant to Section 1400.1.

Section 1400.5 – Right of Claimant to Bring Suit

(i) If a claim for indemnification or advancement under this Article is not paid in full by the Association within thirty days after a written claim therefore has been received by the Association, the claimant may any time thereafter bring suit against the Association to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking has been tendered to the Association) that the claimant has not met the standards of conduct which make it permissible under the applicable law for the Association to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Association.

(ii) Neither the failure of the Association (including its Board of Directors or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he/she has met the applicable standard of conduct, nor an actual determination by the Association (including its Board of Directors or independent legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 1400.6 – Contractual Rights

The right to be indemnified or to the reimbursement or advancement of expenses pursuant to this Article (i) is a contract right based upon good and valuable consideration, pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Association and the director, officer or employee, (ii) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and (iii) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto. However, this Article does not constitute a contract of employment or any terms and conditions of employment, and does not alter the employment status of any employee.

Section 1400.7 – Requested Service

Any director, officer or employee of the Association serving, in any capacity, (i) another entity of which a majority of the securities entitled to vote in the election of its directors or comparable executives is held directly or indirectly by the Association and/or other Farm Credit System entities, (ii) any employee benefit plan of the Association or of any entity referred to in clause (i) above, or (iii) any committee, subcommittee, special asset group or other similar body related to the Farm Credit System, shall be deemed to be doing so pursuant to authorization in writing by the Association's Board of Directors.

Section 1400.8 – Other Rights

The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expense may be entitled under any insurance or other agreement, vote of directors or otherwise, both as to actions in their official capacity and as to actions in another capacity while holding an office, and shall continue as to a person who has ceased to be a director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person. The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association or who is or was serving in any of the capacities referred to in Section 1400.1 hereof against any liability asserted against him/her or incurred by him/her in any such capacity, or arising out of his/her status as such, whether or not the Association would have the power to indemnify him/her against such liability under the provisions of this Article.

Notwithstanding the foregoing, the Association may not indemnify directors, officers, employees, or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA, which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the institution.

**ARTICLE XV
